The screenshot shows the edilportale website interface. At the top, there are social media links for Facebook (35,501) and Twitter (3,341). The main navigation bar includes 'News e Servizi', 'Prodotti e Aziende', 'Normativa', 'Software', 'Libri', 'Lavoro', and 'Forum'. A search bar is present on the right. Below the navigation, there are banners for 'tecno imac', 'imacoppo 2012', 'ecolina', 'lightwall', 'STAR system', and 'tecno imac'. The main content area features a news article titled 'Tecnostutture/Sistema REP® mette a disposizione una nuova finestra di dialogo H24'. The article text describes the new 'Sistema REP' technology, highlighting its benefits for project collaboration and design. It mentions that the system provides a direct dialogue window for architects and engineers, allowing for real-time consultation and technical support. The article also notes that the system is available online, making it accessible to a wider audience. On the right side of the page, there is a 'Cerca Prodotti' (Search Products) section with a search bar and a 'cerca' button. Below this, there are advertisements for 'VIESSMANN' and 'GAVAZZI'. The 'VIESSMANN' ad promotes a mobile app for energy checks, while the 'GAVAZZI' ad features 'RETE IN FIBRA DI VETRO PER ISOLAMENTO TERMICO A CAPPOTTO' (Fiber optic network for thermal insulation). At the bottom of the page, there is a Facebook widget for 'edilportale.com' with a 'Mi piace' (Like) button and a notification that 35,537 people like the page.
